# BIOGRAPHY

The four musicians attend various concerts in Krakow (Poland) but become fast friends during the **FLUFF FEST** in the Czech Republic.

Shortly after, in **January 2013** they decided to form the band: **BEAVER.**

Influenced by bands like Defeater (Boston), Lie After Lie (Wroclaw) or Daïtro or Sport (Lyon), Beaver mixing punk, hardcore, melodic, screamo .... Each draws inspiration!

They quickly recorded a demo 3 titles in 2013 and their first 6 tracks EP "**COLD HANDS**" to be released in late 2014 co-produced by **Anarchino Records** for France and **Life Is A Funny Thing** for Germany.
